Dear Friend,

As you may know, Aspen Valley United Jewish Appeal (UJA) recently partnered with JEWISHcolorado to leverage the strengths of both organizations in order to better serve the Colorado Jewish community.

Going forward, JEWISHcolorado will provide the campaign management as well as event, marketing, and back office support for UJA's Annual Campaign. UJA's volunteer leadership will work closely with JEWISHcolorado to support historical programs and services, including PJ Library, Golshim L'Chaim, Hebrew Schools and Summer Camps, the Israel Bar/Bat Mitzvah Stipend program, and our national and international partners. In addition, we will work together to identify new funding and engagement opportunities for the Aspen Valley Jewish community. Our priority is to fund programs that have a direct impact on our community and that touch lives throughout the Jewish world.

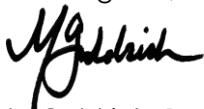

We are working diligently to ensure that each gift to UJA's campaign is processed efficiently and goes directly to support UJA's mission. Contributions to UJA Aspen Valley, powered by JEWISHcolorado, can now be made via the following:

- Checks made payable to JEWISHcolorado, mailed to 300 S Dahlia Street, Suite 300, Denver, CO 80246, with UJA Aspen in the memo line
- Credit card payments by phone at 303-321-3399, by mail or via the UJA Aspen Valley website at <http://www.jewishcolorado.org/ujaaspenvalley/>. We accept all major credit cards and are able to set up monthly or quarterly charges on a reoccurring basis
- Distribution from a Donor Advised Fund or Foundation
- Stock transfers. Please contact (303) 316-6489 for specific instructions

Once your gift has been processed, you will receive an acknowledgement letter and quarterly statements from JEWISHcolorado. In addition, you will receive a receipt in February verifying the tax-deductibility of your total gifts from the previous calendar year. If you have any questions, please contact our Donor Services team at (303) 316-6489.

UJA is a proud partner of JEWISHcolorado, and we look forward to working together to build a stronger Jewish presence in the Roaring Fork Valley, in Israel, and throughout the Jewish world.

With warm regards,
