

ONE HAPPY CAMPER

ENGAGE We engage the next generation in being Jewish

One Happy Camper gives Colorado Jewish children the gift of Jewish summer camp to experience for the first time. Since 2012, your support has helped us send over 600 Colorado kids to camp. Yet, demand is much higher! Each year, children are left on the waitlist.

\$150,000 will allow us to send 200 Colorado kids to Jewish summer camp in 2018

38 students are currently on the waitlist and new applications arrive every day

Average scholarship is \$1,000

71 Students Funded

“The One Happy Camper subsidy defrayed enough cost this year to make sleep away camp a reality!”

– Mindy Sanders, Mom

WANT TO APPLY?

Coloradans can submit an online application at OneHappyCamper.org. Subsidies are open to children who are registered to attend an overnight Jewish summer camp. Children must be residents of Colorado, have not attended Jewish summer camp and who do not attend a Jewish day school. Many campers choose one of Colorado's Jewish summer camps but students may attend any of the 150+ nonprofit Jewish camps in North America.

"Camp is a place where campers can be called upon to become leaders in our tight-knit community."

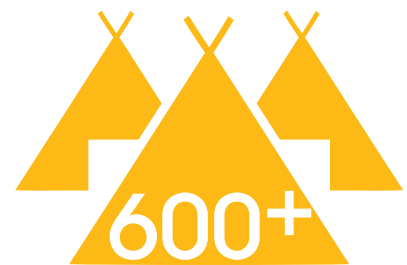

– Rabbi Eliav Block, Director of Ramah in the Rockies
